## COMPETITION NOTES.

WAR Cay Tray - And when the Chief Shepherd shall aspecer, we shall so mice a crown of glory that faddh so owny. - I Peter v. 4.

The following flow notes I not I from 1) in The Tollowing flow notes I not I from 1) in The Tollowing flow notes and the Tollowing I for the Tollo

2. Because scores of peeple will buy the Wat Cav from soldiers who will not some to the half or even the Army meetings it has open air. Very fow of the steer teepers with whom you desi will refuse to the Wax Cav from year every week if years them the right way. The same ign after the countries who are requisiter visited by peddiars settling thet, regestate

3. Because solling the WAR CRY to people in this way affords an opportunity for dealing with them about relificion that you would not otherwise have. Many soldiers too, find It much harder to speak to their neighbors and frionds about Salvation than to the crowd that come to the hell.

These comrades will find a few Waz Cars
of great holp to them in this line, lessides
being a certain source of good to the people

4. Because the War Cay is sure to make 4. Because the Wax Car is sure to make our friends for the Army where or iggos; and where it does not actually make readrove projudice and readrow a feeling that the Army is a very good institution—as year, and interlight place. Even this is a good ining done in the case of many individuals of the problem. Yet in the case of the case of

5. Because many people will believe what they see in print more than they will what they hear from the tips. There is a estelin degree of foundation for this feel-ing. Anyway, it oxists, and the more of literature you can get your friends to read, the better for us, as well as for them.

6. Because you will uphold the repeta-

on, but averything elso, wit light isoluding the sale of the

I see those are some new hands arrived were you have been steadily gaining

Not a move around the Moneton Divisto this week. I can't understand this. Capts Blackburn and Boyer have acrived strike field, so that the criculation ought

I know the B.C. Division has done well ad fought rory bravely. I admire the z increases to each of its live stations.

The Mantiola Division has disalged not have seen Major Morris in Tocomo, and yall seconds, he does not Civ. and Mantiol do his best to post the Civ. and Mantiol do his best to post the D.O., has nagority is so small.

Tho London Division, too moves partieso nor down, but, with an addition of do BO. Sweetman could ppt Magnonic in the sade. I'll keep my oyo on thean matters at watch them closely.

Another 50 and Adjt. Coller could mount bove D. O. Sweetman. I varily believe he

will do it, too.

Some new officers have arrived in the Montreed Division. Among them I see Capt. Fox and Capt. MoNamara. Now, surely things will home down that way. Shorbreoke is quiet lately, but Capt. Fox will do his hear.

Another ten and D.O. McIntyre will defeat D. O. Cousins. That's good. Ye Kingstoe braves, I am delighted at this grand rise of 80 copies. Praise the Lord lotter.

Here is the aut of this illustrious D.O.-

thay cannot see or provide for the misery and misery fortune, over a lattice which are the mevitable out-come of such prac-tices. It meme as though his favor-its policy with men and women is to get them to sacriget them to sacrifice future essenal advantage for some transient, present pleasure. So it was with Jack. Had he got through his filteen months' profilteen months' probation with good bation with good conduct, he would have had the ad-yantage of being hired out to a mas-ter; but Jack was-not the one so al-low bimself to be fastined down in that fashion. He that fashion. He liked liberty, and, seemingly, was not particular w h a price he paid for it. After serving mine months of his probation he ran away, and, visiting a shopbord'e hut white the proprietor was out, ha took irom it a suif of clothen, leaving his convict's dress his convict's dres in exchange. He nizo

He succeeded in getting work on a farm near Oallands, but by the time he had been there about twelve months, one of his shipmates happened to get "Signed out" to work for the same master as the same master as h imself. This other man told the master about him, with the recul: that he was made original senteace.
This oxtra term
was served in a
blacksmith's shop
at Port Arthur, but
on account of his
greet insubordination, it was extended to about
two years, during
